

24 September 2019

NOTIFICATION OF POSITIVE SAMPLE

On Friday 30 August, 2019, Trainer Mrs. Narvette Treloar was informed that the urine sample taken from the greyhound DULKANINNA at the Greyhound Racing SA (GRSA) race meeting held at Gawler on Tuesday 30 July 2019, had shown the presence of SALBUTAMOL.

The reserve portion of the urine sample has since been analysed and the presence of SABULTAMOL was confirmed.

Mrs. Treloar was advised that GRSA Stewards have opened and adjourned an inquiry into the matter.
