Recommendation of penalty – Mr. B. Clarke

Greyhound Racing South Australia (GRSA) Stewards have been inquiring into the circumstances surrounding the purchase, care and training of the greyhound DESTINI PESO during Mr. Brian Clarke's disqualification period.

Stewards gave Mr. Clarke the opportunity to show cause as to why they should not invoke GAR 100; which reads:

The period of penalty imposed on a person who is disqualified or warned off shall automatically be deemed to have recommenced as from the most recent date of the person breaching Rule 99.

After considering all the evidence presented from Mr. Clarke, records held by GRSA and evidence collated, Stewards found Mr. Clarke had breached the Rules prescribed for disqualified persons.

Consequently Mr. Clarke was informed his six (6) month disqualification period would recommence, backdated to 21 December 2018, which was the most recent date of the breach. His disqualification period will expire at midnight 20 June 2019.

Stewards further advised Mr. Clarke they intend to open an inquiry into the differing dates of two transfers of ownerships lodged with GRSA. This inquiry will be at a date and time to be fixed.
