## **NOTICE OF INQUIRY RESULT**

**STEWARDS: L. Michalanney, J. Jones, M. Fernholz**

On Monday 26 November, 2018, Greyhound Racing South Australia (GRSA) Stewards conducted an inquiry with trainer Ms. Dita Mitchell into the circumstances of her greyhounds being cared for by an unregistered person at her registered kennel address whilst she was away from that property.

Evidence was considered from the unregistered person and Ms. Mitchell. At no time did any greyhounds trained by Ms. Mitchell race or trial.

After considering all of the evidence, Stewards decided not to lay a charge against her in relation to this matter as they were satisfied that the greyhounds had not been trained during this period. Stewards were also comfortable with the measures Ms. Mitchell had put in place for a licensed person to supervise the activities at the property.

Ms. Mitchell was advised of her obligations in future under the following Rule GAR 101(2)(a):

*An owner or trainer shall not permit an unlicensed person to –  
train, at any place a greyhound owned by or pursuant to the control of the owner or trainer.*

and;

Rule GAR105(6)(b)

*Where a trainer or owner leaves or proposes to leave a greyhound trained by him in the control of another trainer or attendant (not being a minor) for any period, the following provisions apply-*

*the person in whose control the greyhound is to be left must be currently registered with the Controlling Body and must have previously consented in writing to being nominated as the controller of that greyhound during such period*

Stewards encourage all participants to ensure they comply with these Rules.
