

18<sup>th</sup> July 2022

## ***NOTIFICATION OF POSITIVE SAMPLE***

---

Trainer Mr. Gavin Harris has been informed that the urine sample taken from his greyhound SPRINGVALE REX at the Greyhound Racing SA (GRSA) race meeting held at Angle Park on 2<sup>nd</sup> June 2022, has been analysed and is confirmed to contain the prohibited substance Meloxicam.

Mr. Harris has been advised that GRSA Stewards have opened and adjourned an inquiry into the matter.
