NOTIFICATION OF POSITIVE SAMPLE

Trainer Ms. Yvonne Maxwell has been informed that the urine sample taken from her greyhound TEMERITY SPIRIT at the Greyhound Racing SA (GRSA) race meeting held at Angle Park on 28th May 2022, has been analysed and is confirmed to contain the prohibited substance Cobalt above a mass concentration of 100 nanograms per millilitre of urine.

Ms. Maxwell has been advised that GRSA Stewards have opened and adjourned an inquiry into the matter.
