NOTIFICATION OF POSITIVE SAMPLE

Trainer Mr. Tracie Price has been informed that the urine sample taken from his greyhound ASTON CHEROKEE at the Greyhound Racing SA (GRSA) race meeting held at Mount Gambier on 17th December 2023, has been analysed and is confirmed to contain the prohibited substance arsenic at a level greater than 880 ng/mL.

Mr. Price has been advised that GRSA Stewards have opened and adjourned an inquiry into the matter.
