## ***NOTIFICATION OF POSITIVE SAMPLE***

---

Trainer Mr. Noel Perry has been informed that the urine sample taken from his greyhound ROUGH BOY RUSS at the Greyhound Racing SA (GRSA) race meeting held at Mount Gambier on 10<sup>th</sup> March 2024, has been analysed and is confirmed to contain the prohibited substance Theobromine.

Mr. Perry has been advised that GRSA Stewards have opened and adjourned an inquiry into the matter.
