GENERAL

Addendum to Stewards Reports Angle Park Thursday 30/3/2017

Race 1- Improved performance of DYNA CAMO.

When questioned, Trainer Mr. T Rasmussen stated that DYNA CAMO resents being drawn inside and on this occasion was drawn out in box 8 which in his opinion was most beneficial to its chances. He further stated that DYNA CAMO had been greatly assisted by severe interference being suffered by the other greyhounds in the field, shortly after the start and approaching the winning post, when WAIRO BOB crossed the field to a position close to the rail. Furthermore DYNA CAMO had trialled well in preparation for the event and bearing in mind that DYNA CAMO had drawn favourably, he felt it would improve on its exposed form to this point. Mr. Rasmussen was advised that the Stewards would note his comments, the improved performance of the greyhound and it was expected that its improved form would be maintained.
